

OPPORTUNITY: HGV DRIVER

HAYGROVE, A WORLD LEADER IN FRUIT GROWING, FIELD SCALE POLYTUNNELS AND CROP GROWING SYSTEMS, ARE SEEKING AN HGV DRIVER TO JOIN THEIR RAPIDLY EXPANDING BUSINESS BASED IN LEDBURY, HEREFORDSHIRE.

US

Haygrove is a profitable c. £60m horticultural systems and fruit growing enterprise employing 200 full time and 1000 seasonal staff in both the UK and South Africa. The business also has a farming enterprise in Portugal and Growing Systems sales staff in a further 20+ countries. Haygrove is truly international and the geographical spread brings a wealth of opportunity.

Founded in 1988 by the Chairman, Angus Davison, Haygrove Growing now supplies fresh berries to UK and European retailers year-round. Haygrove Growing Systems develops and supplies field-scale polytunnels and substrate systems internationally (currently to 50 countries from Finland to Patagonia). Haygrove takes pride in being a dynamic business with transparent values. We define success as constantly creating opportunities for truly great people, and measuring ourselves in a hard, Triple Bottom Line manner (People, Profit, Planet).

Listed in the 2012 Sunday Times fastest growing in international sales in the UK as well as fastest 500 growing in terms of employment in the EU in 2011, this business is complex, passionate and rapidly growing with an ambitious 5 year business plan underpinned by strong ethical values.

YOU

You will be an experienced, highly productive, positive and energetic HGV driver looking for a new and challenging role. You will have been used to changing schedules, a fast paced environment and have an exceptional driving record. With knowledge of health and safety in addition to a proven knowledge of taco rules you will have a Category B/C + E licence CPC qualified.

THE ROLE

You will be responsible for the transportation of goods, much of which is fresh produce, through a seasonal business that sees the movement of 3,700 tonnes of fruit a year. Main responsibilities are:

- Vehicle safety checks
- Following safe yard procedures
- Following the schedule for the day
- Depot deliveries- the face of the business
- Trailer movements
- Completion of tacos and essential paperwork

This role requires someone with absolute flexibility due to the nature of the product.

THE PACKAGE

Haygrove are committed to personal development and training. We look to promote excellent individuals with initiative and creativity. The role includes a highly competitive salary and 23 days holiday per annum. We have a vibrant social calendar all year round. Haygrove offer an employer backed pension scheme.
